

# JALIN BURTON

JalinBurton.com | 386-882-5546 | jalinb@gmail.com | New Smyrna Beach, FL

## EXPERIENCE

I am a full stack developer with an emphasis on front end development and an eye for design. I have 4 years of agency experience and a total of 12 years in the workforce writing code and developing web solutions for everything from start ups to multi-million dollar corporations.

### ***Shok Idea Group***

**Interactive Director / Sr. Developer**

October 2015 – November 2017

**Lead Developer**

May 2014 - October 2015

### ***Fresh and Alive***

**E-Commerce Operations Manager /**

**Web Developer & Designer**

December 2008 – May 2014

### ***Devia***

**Web Developer & Designer**

April 2006 - December 2008

## RESPONSIBILITIES

- Lead, managed and supported a small development team within an award-winning agency.
- Worked with clients to establish project specifications and provide recommendations for functionality, assist with project planning, and provide agency estimates for website proposals.
- Planned, developed and managed full-stack web development projects using multiple PHP frameworks and content management platforms.
- Created custom plug-ins, modules, functions and themes for Wordpress, Joomla, Zencart, Shopify and Magento content management systems, along with PHP frameworks such as Laravel.
- Implemented API integrations using RESTful APIs such as Google Maps, Instagram, Facebook and Weather Underground.
- Creative problem solving and troubleshooting for complex cross-browser compatibility and responsive media queries.
- Worked closely with 3rd party developers and software engineers to create web applications and mobile applications with the best possible user experience.
- Worked with art directors and designers to create pixel perfect websites and maintain brand guidelines.
- Utilized SVG images to create animations using SVG built animation elements along with CSS3 techniques.
- Used best practices for search engine friendly web development and implemented SEO fixes from MOZ reports.
